## Living on the Legacy of Artists On Elgin

We are seeing growth, new faces and some great original art by Northern artists! Check out the Gallery at Plaza 69!

Given our numbers we were able to set up Friday right on a huge patio overlooking Ramsey Lake. Our doors opened at noon and the show was on! That evening we had a social gathering for all members of the Northern Artists Gallery and their guests with our hosts putting on a wonderful spread. To say we were spoiled is the understatement of the year! Saturday was a great day

with many sales and lots of action but the weather unfortunately deteriorated on Sunday with rain and high winds forcing us to move the show inside.

Despite that we had a surprisingly large number of art lovers come to the show Sunday. All in all it was a great and successful venture and planning is already underway for a bigger and better show next year!

## Welcome New Members

Newest members are **Susan Cairns** and her spectacular paintings and **Michelle Cowan** with her intriguing pottery and ceramic art Our numbers just keep growing! Welcome and thanks to all our amazing artists and know that your art makes the world a brighter and happier place!
