Latest News !

Welcome to a special winter edition. We have a lot planned for 2026 and it started with participation in the “Mayor’s Celebration of the Arts” in January which took place at Fraser Auditorium.

Next up is the start of our special showcase “Artists of the Month”

Member Artist of the Month-March

Anita is a long time member and is very active in the art community. Loved by collectors all over for her inspirational style based in particular on nature, we look forward to seeing her newest art in the gallery

What a Night!

Sudbury Symphony

The Mayor’s Celebration Of The Arts on January 31 was a terrific success! We had 17 artists from our organization participate with a wonderful display in the lobby at Fraser Auditorium. Artworks ranged from contemporary realism to abstract oils, to whimsical sculpture and amazing stained glass.

The main event was music performed by the Sudbury Symphony Orchestra and for those who had never heard them before, they were simply amazing! Featuring music from the classics to the newest contemporary including vocals and special guest appearance by our own mayor, this two hour extravaganza was truly something special.

A Special Thanks

A very special thanks goes to Judi Straughan who reached out to us about the event and who presented us with a beautiful card (and a cheque!) in appreciation of our work. We also

received credit from the mayor and others during the opening of the show.

All in all, it was a very memorable evening and hopefully the start of more wonderful collaborations to come!

Looking to the Future

Plans are under way for new art shows in the coming year. We will be having at least two sidewalk shows at the Gallery 69 location and hopefully one large indoor event in late spring of 2026.

Last year's event at the Minnow lake recreation facility was a resounding success and we hope to repeat it or find an even better venue if possible. If any of our members have any suggestions (or connections) contact any board member with your ideas. Remember this organization exists for you!

The Next Featured Artists Are..

- ♦ Fran Robillard - April
- ♦ Robert Potvin - May
- ♦ Harriet Kideckel - June
- ♦ Susan Cairns - July
- ♦ Anthony Cheti - August

A little whimsy !

Member Artist of the Month - Guidelines

We are excited to invite member artists to participate in our Member Artist of the Month initiative. This program offers a unique opportunity for members to showcase their artwork, share the stories behind their creations, and gain increased exposure within our community.

Benefits

- Featured as the Artist of the Month on our website
- Exhibition in the Gallery
- A post on our Social media sites

Display Details

The selected artist will be featured in a banner on the homepage of the website and their work will be featured in the gallery. Space for the feature will be a maximum of a 5' wide x 6' tall. Artists are invited to bring 1-3 pieces to be featured for the month, in addition to any they have up in the gallery at the time. Number of pieces accepted for the feature will be dependent on size of the pieces.
