Introduced since February, the gallery has been showcasing an artist with a special feature on the website, in addition to a large display area within the gallery and a bio taped to the window for all to see. Looking to the Future

Plans are under way for new art shows in the coming year. We will be having at least one sidewalk show at the Gallery 69 location and hopefully one large indoor event in the fall of 2026.

Last year's event at the Minnow lake recreation facility was a resounding success and we hope to repeat it or find an even better venue if possible. If any of our members have any suggestions (or connections) contact any board member with your ideas. Remember this organization exists for you!

gallery. Space for the feature will be a maximum of a 5' wide x 6' tall. Artists are invited to bring 1-3 pieces to be featured for the month, in addition to any they have up in the gallery at the time. Number of pieces accepted for the feature will be dependent on size of the pieces.

Sadly we lost a great person, a wonderful artist and a true humanitarian. The Northern Artist Gallery has made a donation to the Northern Cancer Centre in his memory.

The poster on the gallery wall says it all...he will be sorely missed and always in our hearts.

Marketing And promotions

This is being done to ensure that the Northern Artists Gallery focuses on maintaining consistent branding, ethical communication and compliance with anti-spam legislation.
