Looking to the Future

Plans are under way for new art shows in the coming year. We will be having at least two sidewalk shows at the Gallery 69 location and hopefully one large indoor event in late spring of 2026.

Last year's event at the Minnow lake recreation facility was a resounding success and we hope to repeat it or find an even better venue if possible. If any of our members have any suggestions (or connections) contact any board member with your ideas. Remember this organization exists for you!
